Summary

I am an enthusiastic and motivated web developer with a proven ability to adapt in both self-starting and collaborative environments while staying focused on achieving high-quality results under strict deadlines. Software Development has never been 'just a job' to me, it's offered an engaging challenge to continually learn and improve my skills in creating high quality software. What started as a hobby has become a full-fledged passion that only gets more exciting as the years go by.

Skills

HTML, CSS, Sass, Bootstrap, Tailwind, JavaScript, jQuery, React.js, Node.js, Next.js, Redux Toolkit, Sanity, Git, GitHub, Json, Photoshop, Responsive Web Design, Programming, Problem Resolution, Communication Skills, Negotiation, Bilingual, Microsoft Office, Critical Thinking

Experience

Front End Developer

Freelance • Winnipeg, Manitoba

08/2021 - Present

- Managed full-cycle design tasks, handling phases from conception to completion while maintaining guidelines throughout.
- Produced websites compatible with multiple browsers.
- Designed and updated layouts to meet usability and performance requirements.
- Consulted with customers to gather requirements and discuss design choices.
- Generated design frameworks designed to encourage maximal user response rates to ad placements.
- Wrote clean HTML and CSS code, integrating design, extensions and third-party apps according to web development plans.

Special Finance Manager

Birchwood Credit • Winnipeg

11/2018 - 07/2021

- Helped sales team complete sales and finalize process.
- Planned, developed and managed sub-prime lending program guidelines.
- Interviewed customers, evaluated histories and offered options.
- Verified and processed credit applications from customers.
- Reviewed financial documents, pay stubs and statements.
